CLUB CARNIVAL

This semester started with Club Carnival on January 11th! We were able to set up a table, along with all the other clubs and organizations at UMW, and meet with students who stopped by for more information! The picture above is the CCC and our The House, another campus ministry which we partner with!

CONNECTING WITH OUR SUPPORTING CHURCHES

On Sunday January 15 Elizabeth was able to join Pastor Chelsea Morse at Fredericksburg United Methodist Church to preside over communion together. As a Deacon in the UMC Elizabeth is able to assist with communion. It is a true joy to watch clergy come together for worship!

SPRING WEEKLY PROGRAMMING

On Mondays at 5 we gather at the CCC for Bible Talk! This semester we are working through the book of Matthew Bible Talk is a place where we can discuss and ask questions!

COFFEEOLGY

2 Wednesdays a month we get together at the CCC to talk through a specific topic and how it impacts our faith. This month we talked about Spiritual Disciplines and Devotionals.

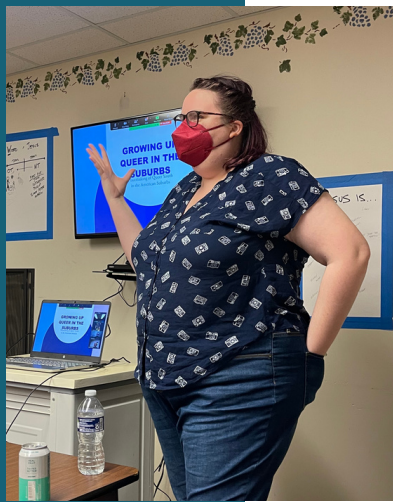

TABLE TALK

Every Thursday we have dinner together at the CCC! The meal is provided by one of our supporting churches and we are able to gather and then do an activity of worship together.

FACULTY AND STAFF GET TOGETHER

In a co-ministry with the House (another campus ministry) we are working on connecting faculty and staff of UMW who go to the supporting churches of our various ministries! This group has grown and we are so thankful to have the opportunity to support faculty and staff as well!

MORE CONNECTING WITH SUPPORTING CHURCHES

Toward the end of the month the Reconciling Ministries group at Fredericksburg UMC asked one of our students, Abby, to come and share her senior presentation with the group! Several of us went to support her and watch her use her gifts and talents to help educate!
