

END OF THE SEMESTER NEWSLETTER

Campus Christian Community

A note from Elizabeth:

Wow! I cannot believe that this semester is already over! Wasn't it just August?? Nevertheless, we had such a wonderful semester meeting new people, learning more about faith, and bonding as a community. It is such an honor to work with the students and the board of the CCC and I am beyond thankful for your support and encouragement of the CCC - we couldn't do it with out you!

This Semester We:

Had wonderful meals provided by our supporting churches!

Studied the Prophets and learned about God speaking through God's people

Had a wonderful Fall Fundraiser Trivia Night

Stayed local for our retreat and learned more about each other and our faith

Spent time talking about issues that matter to us during Coffeeology!

and so much more!

At the CCC we love to have moments where we can destress and spend time being creative together!

Our student Ministry Team worked hard the semester to plan, implement, and lead our various events!

In the photo above we met for Coffeeology in November to get to know Art, our new Operations Assistant at the CCC!

One thing we love to do at the CCC is have meals together! This picture is from our Fall Retreat when we went out to eat together!

The photo below commemorates the first use of our Fire Pit that was donated to us! Thankfully we were able to use it a few times this semester!

We love connecting with our supporting churches, several students have gotten involved in the Reconciling Ministries group at Fredericksburg UMC!
